

**Foreign Approvals  
Hartzell Propeller STCs**

**As of March, 2020, the following countries currently accept FAA TCs and STCs:**

|                           |                   |
|---------------------------|-------------------|
| Australia                 | Libya             |
| Bahamas                   | Myanmar           |
| Belize                    | Nicaragua         |
| Bermuda                   | Panama            |
| Bolivia                   | Paraguay          |
| Chile                     | Peru              |
| Costa Rica                | South Africa      |
| Dominican Republic        | Suriname          |
| Eastern Caribbean - ECCAA | Tanzania          |
| El Salvador               | Trinidad & Tobago |
| Guyana                    | Venezuela         |
| Honduras                  | Zambia            |
| Kenya                     |                   |

**Foreign approvals have been issued for the following aircraft to the countries as listed below. Please contact Hartzell Top Prop with any questions about foreign validations.**
